Ethnic and Racial Demographic Designation Form

Student's First Name: _____ Middle Name/Initial: _____ Last Name: _____

Date of Birth: _____ District: _____ School: _____

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. You can review the privacy notice to learn more about the purpose of collecting this information, how it will be used and not used, and how the detailed groups were identified. The privacy notice can be found in our [Frequently Asked Questions: Ethnic and Racial Designation Form](#).

Exemptions

To enroll in child care, early childhood programs, and school in Minnesota, children must show they've had these immunizations or file a legal exemption.

Parents may file a medical exemption signed by a health care provider or a non-medical exemption signed by a parent/guardian and notarized.

Instructions: Complete section 1 to document a medical or non-medical exemption, section 2 to verify history of varicella disease, and section 3 to consent to share immunization information.

Name _____

1. Document a medical and/or non-medical exemption (A and/or B).

Place an X in the box to indicate a medical or non-medical exemption. If there are exemptions to more than one vaccine, mark each vaccine with an X.

Vaccine	Medical Exemption	Non-Medical Exemption
Diphtheria, Tetanus, and Pertussis		
Polio		
Measles, Mumps, Rubella		
<i>Haemophilus influenzae</i> type b		
Chickenpox (varicella)		
Pneumococcal		
Hepatitis A

A. Medical exemption: By my signature below, I confirm that this child should not receive the vaccines marked with an X in the table for medical reasons (contraindications) or because there is laboratory confirmation that they are already immune.

Signature: _____ Date: _____
(of health care practitioner*)

2. History of chickenpox (varicella) disease. This child had chickenpox in the month and year _____

My signature below means that I confirm that this child does not need chickenpox vaccine because:

- ☐ I am a health care practitioner and this child was previously diagnosed with chickenpox or the parent provided a description that indicates this child had chickenpox in the past.
- ☐ I am the parent or guardian and this child had chickenpox on or before September 1, 2010.

Signature: _____ Date: _____
(of health care practitioner*, representative of a public clinic, or parent/guardian). Parent can sign if chickenpox occurred before September 2010.

*Health care practitioner is defined as a licensed physician, nurse practitioner, or physician assistant.

B. Non-medical exemption: A child is not required to have an immunization that is against their parent or guardian’s beliefs. However, choosing not to vaccinate may put the health or life of your child or others they come in contact with at risk. Unvaccinated children who are exposed to a vaccine-preventable disease may be required to stay home from child care, school, and other activities in order to protect them and others.

By my signature, I confirm that this child will not receive the vaccines marked with an X in the table because of my beliefs. I am aware that my child may be required to stay home from child care, school, and other activities if exposed.

Signature: _____ Date: _____
(of parent or guardian in presence of notary)

Non-medical exemptions must also be signed and stamped by a notary:

STATE OF MINNESOTA, COUNTY OF _____

3. Consent to share immunization information: This school is asking for permission to share your child’s immunization record with Minnesota’s immunization information system. Giving your permission will:

- Provide easier access for you and your school to check immunization records, such as at school entry each year.
- Support your school in helping to protect students by knowing who may be vulnerable to disease based on their immunization record. This can be important during a disease outbreak.

Under Minnesota law, all the information you provide is private and can only be released to those authorized to receive it. Signing this section of the form is optional. If you choose not to sign, it will not affect the health or educational services your child receives.

I agree to allow my child’s school to share my child’s immunization documentation with Minnesota’s immunization information system:

The service provides parents and students with a better idea of where a bus is along its route and about what time it will arrive at their stop. Parents and students can log in to the website by downloading the MyStop app (android or iOS) to a smartphone or tablet. They can view a map of their specific bus route, an approximate location of the bus, and an estimated arrival time at their bus stop. <https://www.isd191.org/discover/departments/transportation/mystop>

Statewide Open Enrollment Form: Used to request enrollment into a District ONE91 school when living outside of District ONE91's boundary area. Paper forms are available at the Enrollment Center or on the Enrollment webpage at:

www.isd191.org/enroll

Variance Request Form: Used to request enrollment into a District ONE91 school other than the school serving your residential area. Paper forms are available at the Enrollment Center or on the Enrollment Center webpage at: www.isd191.org/enroll

Guardianship/Foster Documents: To ensure the safety and security of our students these documents are required when the enrolling parent/guardian is not the birth parent. Please provide the Enrollment Center with supporting documentation stating you are the legal custodial guardian for the student you are registering along with a photo ID.

Custody or Parenting Plan: If there is a current custody or parenting plan in place for the student you are registering please provide a copy to the Enrollment Center. This helps to ensure the safety and security of our students in the school they will be attending.

ParentVue: All parents in ONE91 will have access to create a ParentVue account in which they will be able to view their student's information online or on the mobile app. A valid email address must be on file in order for your account to be activated. If you do not receive your activation code once your student is enrolled, you may email the ParentVue team and they can assist you.

Text Messaging: Text messages are sent to parents who opt in for text messaging. Texts are sent for things like emergencies, weather related closures, and other important school or district announcements. To "Opt In" send "Subscribe" to 67587 to receive text messages.

Meal Accounts and Payments: When a student registers in District 191, the Food and Nutrition Services department creates a meal account for the student with a unique personal identification number (PIN). The student enters this PIN into a keypad at the cashier station in the cafeteria to pay for meals and a la carte foods and beverages. Students keep the same PIN from year to year while enrolled in the district. Your child's school will inform them of their PIN number. Student PIN numbers can also be found in your ParentVue account under Other Information

Pay Online: Depositing money into accounts is best accomplished using [PayPAMS](#). It takes between 24 and 72 hours to get funds into the student account at the school. There is no fee to parents/guardians for using the online payment system.

Pay by Check: Checks may also be sent to school with your student and placed in the check deposit box or given to the Food Service Manager. Checks should be made out to ISD 191 Food Service. Please write the name of the student and their PIN on the memo line of your check. Cash may also be sent with your student; however, we discourage this practice.
